DIPLOMA IN BRACKISHWATER AND MARINE AQUACULTURE

1. INTRODUCTION

KUFOS is conducting a one year Diploma course in brackish water and marine aquaculture (DBMA) at its Fisheries Station Campus, Puduveypu. The course with two semesters is designed in such a way that the diploma holders would get jobs related to Aquaculture (Fish and shrimp farms and hatcheries) in various parts of the country and abroad. The Puduveypu campus is located 6 k.m. away from Marine Drive, Eranakulam in Vypin island.

2. OBJECTIVES

India has 1.2 million Ares suitable for brackish water aquaculture and extensive marine areas which can be used for mariculture. Unfortunately, only less than 15 % of the total area remains utilized as of now for aqua farming. One of the major bottlenecks of this sector is the dearth of qualified and skilled human power, especially in the middle level managerial / technical positions. The present course will produce qualified and skilled personnel to lead the sector in all the entrepreneurial programmes related to aquaculture.

3. ELIGIBILITY

Pass in Plus two or VHSE with Biology as one of the subjects.

4. No. OF SEATS : 20

5. JOB OPPORTUNITIES

The course has job opportunities in aquaculture farms and hatcheries operated in the public and private sectors for middle level managerial / technical positions and also in Fisheries research organizations in various projects.
