

## School of Ocean Science & Technology

### PhD 2014 Batch

Sl. No	Name of the Ph.D Scholar	Department	Name of Supervisor	Aadhar No.	Registration Number	Date of Registration	Likely date of PhD completion	Research Topic
1	Anushma.K	Fishery Hydrography	Dr. M P Prabhakaran	9xxxxxxxxx9	OST-2014-51-01	30/10/2015	30/10/2018	Distribution, Taxonomy and Aquarium suitability of Sea Anemones South West Coast.
2	Fejila Agnes	Fisheries Resource Management	Dr. B Manojkumar	Discontinued	OST-2014-51-02	12/11/2015	12/11/2018	Distribution and Abundance of Gelatinous Zooplankton from Cochin Backwaters.
3	Rakesh C.G	Aquaculture	Dr. Devika Pillai		OST-2014-51-07	30/10/2015	30/10/2018	Epidemiological study of Monodon slow growth syndrome and its Relation with culture Management, Soil and water quality in brackish water shrimp culture system.
4	Sileesh.M.S	Fisheries Resource Management	Dr.B.Madhusoodana Kurup	8 xxxxxxxxxxx1	OST-2014-51-04	29/10/2015	29/10/2018	Systematic distribution, Biology and Biochemical studies of demersal finfish family Gempylidae of South East Arabian Sea

5	Viji.V	Fisheries Resource Management	Dr.B.Madhusoodana Kurup		OST-2014-51-05	31/10/2015	31/10/2018	Taxonomy, Biology and Biochemical analysis of deep-Sea finish family Nomeida from the South East Arabian sea.
6	Rajeena K.B	Aquaculture	Dr. Devika Pillai	4 xxxxxxxxxxx1	OST-2014-51-06	30/10/2015	30/10/2018	Potential Use of Chitosan Nanoparticle For Induced Breeding of Indigenous Fish: Heteropneustes fossilis
7	Paul George	Aquaculture	Dr. Devika Pillai	3 xxxxxxxxxxx9	OST-2014-51-03	28/10/2015	28/10/2018	Evaluating the extend of Eostrogenic potential of commonly used antioxidant, Butylated Hydroxyanisole (BHA) in Anabas Testudineus
8	Sam Peter	Aquaculture	Dr. Devika Pillai	5 xxxxxxxxxxx9	OST-2014-51-08	29/10/2015	29/10/2018	DNA Bar-coding of Gelatinous Zooplankton and a Comprehensive Phylogenetic Analysis of genus Sagitta (Phylum Chaetognatha)Based on Mitochondrial CO1 Sequence Data from Cochin Backwaters and Off Cochin

9	Sneha K.G	Aquaculture	Dr. Devika Pillai		OST-2014-51-09	30/10/2015	30/10/2018	Molecular Characterization of Multidrug Resistance Genes and Mechanism of transfer among Bacteria Associated with Freshwater and Brackish water Aquaculture Systems
10	Sreejisha P.S	Aquaculture	Dr. Devika Pillai	9 xxxxxxxxxxx9	OST-2014-51-10	31/10/2015	31/10/2018	Study on the preventive effects of phytochemicals from traditional medicinal plants against the target proteins in White Spot Syndrome Virus (WSSV)
