Business rules of online allotment

1. Allotment of seats for various MFSc, MSc, MBA, LLM and M. Tech programmes will be carried out through online mode as per Schedule of online allotment and admission of KUFOS Post Graduate programme
2. There will be two rounds of online seat allotment
3. Seats will be allotted based on the rank list published by the University
4. Admission portal will display the provisional list of opted courses in which candidate is likely to get admission as per the schedule published
5. Candidates can select one course among the list of offered course/s and confirm admission
6. Position of candidates in the waiting list will also be displayed in the portal
7. Candidates who got offer for all the courses opted in the application form need to select one course and confirm their willingness to join that course.
8. Candidates who got offer for a course and listed in waiting list of other course/s can either select and confirm the offered course or wait for subsequent round of allotment for waitlisted course
9. Allotment in each round is a continuous process; hence position will change if any candidate confirms their choice.

10. Candidates are advised to monitor the allotment portal intermittently to understand the chance of getting admission.
11. Candidates who confirmed their seat in any round need to pay advance fees within the stipulated date as mentioned in the schedule.
12. During second/ final round of allotment, candidate needs to select one course among the offered course/s and confirm their willingness to join that course.
13. Candidate who confirmed their seat need to pay required advance fees as mentioned in the schedule.
14. Candidates who are not confirming their seat and not paying required fees will lose their chance to get admission.
15. Vacant seats after second round will be filled through MOP UP ROUND
16. Vacant seats after MOP UP ROUND will be filled through SPOT ADMISSION
17. Spot admission will be carried out on ONLINE MODE. Candidates need not physically report
18. Vacant seats will be allotted to candidates who submit application for Spot admission based on the published rank list.
19. Candidates not yet applied for the PG admission programme of KUFOS or not attended KUFOS entrance examination will be considered against vacant seats available after filling the rank listed candidates who submitted a valid application for spot admission
20. All candidates including rank listed candidates need to submit application in the required form for participating in SPOT ADMISSION.
21. **Candidates can download application form from the website, duly fill, affix signature, scan and mail to academic@kufos.ac.in on or before 13.11.2020 1600 hrs.**
22. Candidate who confirmed their seat through online mode and selected during spot admission round need to pay required advance fees as mentioned in the schedule.
23. Newly applied candidates for spot admission need to pay application fees along with advance fees, if they got selection for any course during spot admission.
24. Candidates got admission through online mode and spot round need to physically report at concerned Faculty/School with original certificate to prove their claim on date of birth, educational qualification and reservation category in which they got admission at the time of commencement of academic session (Date will be announced later)
25. Admission of Candidates will be cancelled if the candidate fails to produce original certificates at the time of physical reporting and certificate verification.
26. University will take suitable action deemed to be fit against the candidates who fail to produce original certificate or produce forged/false certificate/documents at the time of certificate verification or on a later stage of verification.
27. There won't be any personal communication to the candidates from the University. All communication will be through our official website only.
28. At the time of online admission and spot admission candidates need to pay a portion of semester fees as advance fees.
29. All candidates need to pay balance amount of semester fees and other fees if any (Hostel fees, PTA membership fee etc..)at the time of commencement of session (Date will be announced later)
