

The interviews for admission to PhD programme is scheduled from **November 24, 2020** in **online mode**. The interview dates of candidates under each faculty is listed below. The time slot for each candidate will be allotted. You will be intimated by email. Candidates should prepare a project proposal and get the consent from the supervising guide in the format available in the website 'Consent by supervising guide'. If unable to get a supervising guide at the time of interview or if the final results of PG programme is awaited, the candidate can take provisional admission. In such cases, the registration will be complete only after the supervising guide gives consent and the fee is paid.

NET qualified candidates who have applied for the KUFOS PhD programme, whose names do not appear in the given published list, can also appear for the interview. Such candidates may constact the respective School Directors/Dean Fisheries/DoR to give our email id and get the time slot for interview.

The semester starts on December 7, 2020.
