

Partnership for  
Observation of the Global Ocean

# ACHIEVEMENTS

## POGO-SCOR Fellowship Programme

*“The Nippon Foundation-POGO Centre of Excellence (NF-POGO CoE) provides world class education and training in the field of observational oceanography. The Centre offers a 10-month programme of study, at postgraduate level, to 10 students every year.*

*Three distinguished students from MSc. MARINE CHEMISTRY have been honoured with the prestigious POGO-SCOR Fellowship, underscoring the department's exceptional contributions to the field of oceanographic research and training.”*
