Subject :- Plan Project review report by standing Committee on Planning Development & Research - 18 point criteria fixed for Plan project review and analysis - Circulated - Reg:-

Reference :- Decision on Agenda no.2073 of 110th session of Governing Council held on 28.02.2025.

As per the reference cited, the Governing Council has accepted the report of the Standing committee on Planning, Development & Research. The continual sanction of the plan projects in the coming years will be based on both the progress achieved based on the 18-point Criteria fixed by the Standing Committee and the availability of funds.

Additionally, it has been informed that the 18-point Criteria fixed by the Committee should be published on the KUFOS website and circulated among the Principal Investigators of plan projects. Therefore, the same is attached herewith for information. Each year, a designated committee shall assess the plan projects based on this Criteria and recommend the further continuation of these projects.
