

**KERALA UNIVERSITY OF FISHERIES AND OCEAN STUDIES
DIRECTORATE OF RESEARCH**

File No.: DR1/9752/2022

Dated: .07.2026

CIRCULAR

Sub: KUFOS - DoR - Submission of technologies for publication in the KUFOS Technology Release 2026 - Reg.

The Directorate of Research proposes to publish the KUFOS Technology Release 2026, a compilation of innovative technologies developed by the University that are ready for commercialization and technology transfer. The publication aims to showcase the University's research outputs and facilitate the transfer of technologies to entrepreneurs, industries, start-ups, government agencies, and other stakeholders.

In this connection, all faculty members are requested to submit details of technologies developed during the period 2025-2026 that are ready for commercialization and/or technology transfer. The following information shall be furnished for each technology:

1. Title of the technology.
2. Brief description.
3. Proposed technology transfer fee.
4. Name(s) and designation(s) of the inventor(s).
5. Contact details of the Principal Investigator.
6. Cost for the transfer and training
7. High-resolution colour photographs of the technology.

Faculty members are requested to submit the above information in both MS Word and PDF formats, along with the photographs, to the Directorate of Research by **05 August 2026** through email.

Faculty members are requested to ensure that the submitted information is complete, and suitable for dissemination to prospective entrepreneurs and other stakeholders. The submissions will be reviewed and selected technologies will be included in the KUFOS Technology Release 2026.

The cooperation of all faculty members in this matter is highly appreciated.

DIRECTOR OF RESEARCH
